GANTS HILL

CONGREGATIONAL CHURCH

ILFORD

This Church was formed in January 1964 by the union of
the Woodford Avenue and Wycliffe Congregational Churches.

Trusting in the guidance of the Holy Spirit the two separate
independent Church Meetings reached this decision for a deeper
witness and wider service in the name of our Lord and Saviour

Jesus Christ.

We give thanks for the experience of God's love and guidance
afforded to them throughout their existence and acknowledge
our own continuing dependence upon Him. We remember with
gratitude the service rendered by the members of the two
Churches in the name of their Lord.

We recall with loving memory those members who served,
suffered, and died in the World Wars 1914-1918 and 1939-1945
